Dear Mary Jacobs Library Patron:

Why Should You Support Your Library This Holiday Season?

Families enjoying the children's section of the library.

Reason One

Your gifts provide an immediate impact on the environment of the library: providing a comfortable, safe place that supports learning and culture; and gives us a gathering place for all members of our community. Just walk into the library any day of the week and you will see it full of individuals enjoying every nook and corner that you have helped to provide!

Reason Two

Your much-needed support would be missed. The Foundation owns building and counts on your donations for our many capital projects, including roof repairs, renovations, and other vital needs. We look forward to providing you with a vibrant, up-to-date library space.
